Dear Parents/Carers,

This year, the Bramford Parents & Friends Association will be hosting Santa's Grotto in school. **This will take place during the school day on Wednesday 18th December 2024.**

During the day, pupils will be taken in small groups to see Santa Claus himself and receive a small gift.

To take part in our grotto festivities, the cost will be £3.00 per child (cash only). To keep the magic of Christmas alive for all of our Griffins, we are kindly asking if any of you are prepared to sponsor another child to see Santa this year. We don't want to leave any child out!

If this is something you could contribute towards, we would be most grateful (suggested donation £2.00).

In order for Santa Claus to be fully prepared for his visit to Bramford, he has asked for us to collect an idea of numbers who will be visiting him so he can make sure he brings enough of everything with him on his sleigh!

Please complete and return the form by Wednesday 4th December so that we can ensure Santa is fully prepared! There will also be another special visitor coming to see Years 4, 5 & 6.....watch this space!

Yours sincerely,

**The BPFA Team
Bramford Parents & Friends Association**
