Bramford is a friendly, welcoming school at the heart of the community with a dedicated and caring staff who work tirelessly to ensure the very best experience for all our pupils. I am proud to lead a team that provides wide ranging opportunities and experiences.

We have an extremely positive ethos, offer an ever developing, stimulating and engaging environment where pupils feel safe, happy and enjoy their learning.

Our curriculum embeds our school values, skills and knowledge as well as building on traditions and widening pupils' horizons and experiences. The learning goes beyond lessons! We offer a vast array of exciting activities and opportunities to help our youngsters grow, develop and become inquisitive as well as challenge and inspire them. We are also proud of how we encourage and celebrate talents and achievements. Our holistic approach gives pupils and staff a love of learning and encourages them to aim high.

Bramford is proud to be a part of the Griffin Schools Trust, a family of schools that have high ambitions for all their pupils.

We believe in a close, honest and trusting relationship between home and school in the interests of all our children. We are proud of our wonderful school and would be delighted to show you around.

GRIFFIN SCHOOLS TRUST

The Griffin Schools Trust is a family of primary and secondary schools in the Midlands and the South East of England. We are committed to providing an outstanding independent-style education for all students, predicated on breadth and excellence. All schools provide a rich programme of free extra-curricular activities, create an inviting and stimulating physical environment and build a staff team of interesting people who are motivated to advance their own knowledge and skills as well as their pupils’ achievement.

The Trust was founded by people who have led high-performing schools in the UK, Europe and Asia. Our collective expertise is demonstrated in track records of outstanding school improvement as heads, teachers, local authority advisers and Ofsted inspectors.

Being part of a trust brings so many wonderful opportunities, such as our annual GAF (Griffin Arts Festival) where some of our year 5 pupils spend part of a week in London experiencing a wide range of activities based on the ‘arts’. It is a truly memorable residential. We also have an annual GSF (Griffin Sports Festival) where sports teams compete against each for the trophy and our GSS (Griffin Science Symposium) where selected year 6 spend time in one of our secondary schools to experience science at its very best.

These are just a few of the trust’s Proud Traditions.
