Bramford
PRIMARY SCHOOL

Dear Parent/Carer,

Over the past 7 years, we have seen our academic achievements go from strength to strength. The hard work and commitment from every number of staff plays a part in our success and for that, I am incredibly proud and honored to work alongside such dedicated colleagues.

For several years, our End of Key Stage 2 results have been above national, our Greater Depth achievements are incredible, but this year I am delighted to announce that we have been named in the Top 10 of Dudley Schools. A huge achievement that we are super proud of.

As a Trust, we continue to grow with schools in three of our authorities being acknowledged and two of our primaries making the top 50 of all schools nationally.

Our Trust achievements are recognised and as a team, we will continue to provide outstanding opportunities and learning experiences for all our Griffins and strive to develop even further for the benefit of everyone.

Congratulations Team Bramford!

Kind regards,

Mrs. L Guest
Executive Head

A member of the Griffin Schools Trust
