

Weekly Update

Date: 6th March 2023

Issue 1

SIC PARVIS MAGNA
'Greatness from small beginnings'

Dear Bramford Families,

Welcome to our first weekly update. A new weekly reminders and information sheet in addition to our newsletters.

Griffin Science Symposium

Our annual Proud Tradition that is GSS (Griffin Science Symposium) begins today, Monday 6th March. We are delighted this year to have the opportunity for our Year 6 children to take part in a virtual seminar from Dr Alice Dunford. Her research into developing and testing image sensors for cameras that are launched into space is going to prove to be a fascinating discussion/lecture.

During this week, lots of science will be happening all over school—watch out on our socials and website. We cannot wait to share our learning.

Mental Health and Well-Being

It is so important that we equip our Griffins with the tools needed to navigate through life and an ever changing world. By covering a range of topics on health and well-being, we give our young people the skills and knowledge they need to flourish in school and beyond. Here at Bramford, we use the Lifewise Programme to deliver age appropriate lessons ensuring children develop their emotional literacy and hear a range of strategies to lead healthy, happy lives.

On your next visit to school (Parents' Evening), take a few moments to look at their scrapbook of learning.

The Book Fayre

A big thank you to all those who purchased a book during the Scholastic Book Fayre. We make a special mention of gratitude to Katie Haffner-Smith and the BPFA who gave their time so generously to help run this.

Well Done!

A huge congratulations must go to the KS1 Choir who, on Founders Day, performed beautifully for the residents of Broadway Halls Care Home in Dudley.

Welcome

We would like to welcome Ms Bayliss into the Year 4 team who will be at Bramford until the end of April.

Have a great week! With warm wishes,

Mrs L Guest
Executive Headteacher
